

RESOLUTIONS  
OF THE  
LEGISLATURE OF FLORIDA,  
IN FAVOR OF

*The establishment of a port of entry and delivery at Cedar Keys.*

JANUARY 17, 1849.

Referred to the Committee on Commerce, and ordered to be printed.

RESOLUTIONS relative to a port of Cedar Keys.

Whereas a railroad is about to be constructed from the St. Marys, on the Atlantic coast, to Cedar Keys, on the gulf, thereby rendering it highly important that every facility to commerce should be afforded to that point as a port; and whereas the nearest port of entry and delivery is St. Marks, a distance of a hundred miles from Cedar Keys; and whereas great inconvenience and delay is now occasioned, without any corresponding good to the citizens residing in that section of country, and doing business at that point, in consequence of the port of Cedar Keys not being a port of entry and delivery: Therefore,

SEC. 1. *Be it resolved by the Senate and House of Representatives of the State of Florida in General Assembly convened,* That our senators and representative in Congress be requested to procure the establishment of a port of entry and delivery at Cedar Keys, on the gulf of Mexico, situate in Levy county.

SEC. 2. *Be it further resolved,* That certified copies hereof, signed by the proper officers of the General Assembly, be transmitted by the governor to our senators and representative in Congress.

Passed Senate January 1, 1849.

C. W. DOWNING,  
*Secretary of Senate.*  
E. D. TRACY,  
*President of Senate.*

Passed House-Representatives January 4, 1849.

W. B. LANCASTER,  
*Clerk of the House of Representatives.*  
B. A. PUTNAM,  
*Speaker of the House of Representatives.*

Approved January 6, 1849.

I certify the foregoing a true copy.
